Keith Seland 2026

The Humaniverse

Saturday, February 21st | 4:00pm-

4:45pm | Room: Century D

The Humaniverse-Gobekli Tepe Discoveries

Keith shares his many new truths from Gobekli and Karahan Tepe regions of Turkey that revolutionize how our civilization will view ancient history. His recent discoveries from Peru, Easter Island, Bolivia and Egypt, will enlighten you for what this will mean in the landscape of future relationships with extraterrestrial intelligences.

Keith Seland is a 20-year ancient anthropology lead researcher; UFOlogist and futurist Published works: *The Humaniverse Guide* website, books, professional academic journals, YouTube, Substack, social media channels.
